

BÜMPLIZ NORD STATION DISTRICT

views: Semadeni - 1259

The Bümpliz station is a major stop on the Bernese S-Bahn regional express network, which sees more than 4,000 passengers a day.

The aim is to create along the train lines a mix of commercial activities, office space and 160 housing units with various typologies. It is planned to build the four buildings in phases over a period of 20 years. The development meets the Company's high energy performance requirements at 2,000 watts.
